President's Comments

President Patti Malanaphy – 2015-2017

I believe spring has arrived and summer is coming soon. This is the time we all start thinking about summer vacations, rest and relaxation.

Spring board meeting was held in **Redmond, Oregon March 30-31, 2015**. Thanks to the board for their dedication and hard work in making the meeting productive and successful. The board raised the question of redistricting of current **FCE** districts.

We now have 10 districts, and would like to change to only 4 districts. We have low to none membership in some districts. We believe this change would be better for **Oregon FCE**. We want all members to be informed so that they can give input and suggestions in making this decision. Also, it was discussed that it would be a good idea to also change the districts name. Each county **District Director** will provide their council and study groups with information to assist them with making an informed decision. **District Directors** will bring your thoughts to the board meeting in the fall.

Current membership stands at 397 as of **March 2015**. Let's all work together and seek new members for this great organization. I was saddened to receive from **Coos County** that their 46 members voted to withdraw from **State and National FCE**. I want to thank them for their contribution to **FCE**. They will be greatly missed.

I am looking forward to some interesting and informative lessons to be presented at **Oregon State Conference**. Thanks to all the **FCE** members who have volunteered to develop and present the following programs.

Hope on the Horizon - Scott Teeples (other assistant to be announced)

Water Awareness - Kerri Mauk and Gay Jarvinen.

I want to congratulate **Oregon Heart of FCE Betty Pribil from Clackamas County**. We are honored to have her represent **Oregon**.

I will be attending the **National FCE Annual Conference in Blue Springs, Missouri** this **July 23-27, 2015.** It would be wonderful to have more members from **Oregon** attend.

Patti Malanaphy
Oregon FCE State President

Notes from VP of Programs:

Hello everyone. Once again I believe you will be delighted with the program offerings available for **State Conference in October 2015.** It was not an easy job choosing but I do need to remind people that consideration becomes first appealing when titles are already written. Next consideration are titles that are connected with names of willing developers and presenters. If there is a subject that

you are sure would be of interest or has specific significance, collect solid and reputable information. This would be of great assistance to any willing writers.

The list of lesson titles are in the **President's** comments. These people named are part of a team and a full bio will be provided in the next newsletter issue to help you to decide what you will choose when filling out conference registration.

Also, for those who like to get stuff done sooner than later...I will be asking all county councils to provide me with the name of your representing voting delegate at state conference. And for that, I thank you in advance.

Sincerely,

Deanna Hadley, VP of Programs

P.S. to lesson developers: I will be contacting you with written guidelines and specific instruction as time progresses. If you are not patient you can find guidelines in the New Handbook.

District III Annual Luncheon

"**Plant a Seed for FCE**" was the theme for the day. We had 25 attending, we bought plants, books and recycled treasures to raise money for the **2016 Oregon State Conference.** We enjoyed a delicious lunch of pulled pork, salads and desserts. We had a couple word search and a quiz, all about flowers and vegetables. Our guest speaker was **Julie Miller**, a Master Gardener since 2007. She talked to us about insects, both good and bad for our gardens and what we can do to keep or get rid of them. She also talked about container gardens.

We had an enjoyable day and learned many things to help with our gardens.

Hearts Garden

by Katherine Merrill

My heart is a garden where thought flowers grow.
The thoughts that I think are the seeds that I sow.
Every kind loving thought bears a kind loving deed,
And a thought that is selfish is just like a weed.
So I must watch what I think each minute each day,
Pull out the weed thoughts and throw them away,
And plant loving seed thoughts so thick in a row,
There will not be room for weed thought to grow.

Remembering Marilyn Shipley

Brookings Nite FCL wants to recognize our recently passed member, who was so instrumental in many **FCE** areas. Here are some of our thoughts for the **Oregon FCE News**, hopefully not too long for a story of a dedicated **FCE** member.

About 50 years ago, a small group of young mothers formed an evening Extension Study Group called **Brookings Nite**. The early founders had young children and some worked, so the group found it easier to get out of the house when Dad was home to watch the kids. As **Marilyn Shipley** often said, "It was the only time we got to talk to adults."

Brookings Nite is still mourning the loss of our long time-friend and member, **Marilyn**, on **October 25, 2014**. She lead us all through many changes in our group and in **Oregon State Extension Service**. The mother of a large family, she was married at 15 and valued the opportunity she never had to expand her own learning. **Marilyn** thought it would be a grand idea for us all to leave home for a few days and attend **Mini-College at OSU**. For years, she piled as many of us as she could in her motor home and we drove the 6 hour trip midst laughter, card games and general relief to have time for ourselves. She and other members of this small group became parts of the **State Council** and the **Mini-College** committee.

When a new opportunity in the form of **Family Community Leadership** was begun to help rural **Oregon** women learn how to take on leadership roles in their communities, **Marilyn** was tapped to be the volunteer chair along with **Greg Tillson** from the **Extension Service**. She took to it like a duck to water (in Beaver country), and served **FCL**

for several years. She was so proud of the lessons and leadership **FCL** provided for rural women. Indeed, many local women learned to facilitate, organize, speak up, and run for office. When that program melded into **Extension Study Groups** and became **Family Community Education**, it was partly due to her efforts.

One of the leadership projects in her own community is the **Brookings Community Bazaar**,

held each year in early **November** for somewhere around 45 years...we aren't sure. **Marilyn** and her friend, **Vangie Andreason**, felt that the small non-profit groups in the area should hold their holiday bazaars under one roof, making it an easier shopping venue for customers instead of running all over town, and bring more profits to the groups. First held in a local church hall, the idea was so successful that the bazaar moved to a local school, then to a larger gymnasium and finally to two gyms close together. Today's event hosts over 100 vendors and is a highlight of the holiday season. Not only did **Marilyn and Vangie** do all the hard setup work those early years, but **Marilyn** decided to also hold a luncheon with a hot chicken casserole, homemade pies and molded salads. Dwindling group membership forced us to cancel the lunch a few years ago, much to the dismay of our customers who still ask for it. When **Vangie** asked **Marilyn** once why they were doing this, **Marilyn's** famous and oft repeated answer was, "For the honor and the glory, **Vang**. The honor and the glory." We tell ourselves this each year as we stretch our small group to put on one more bazaar.

There are many more stories to tell, like running the **Rogue River** (corn dog) Pup booth at the county fair, providing **4-H** camping scholarships and women's learning and cultural opportunities with bazaar and pup booth proceeds, leading church youth groups on extended journeys, organizing river float trips, potlucks and more, with **Marilyn** at the center or the helm. When **Mini-College** closed, the group continued on its own to take a long weekend of learning with one another, staying together packed into hotel rooms or vacation rentals. **Brookings Nite** is the only **FCE** group left in all of **Curry County**, and **Marilyn's** leadership and love are much of the reason. Her big heart, strong leadership and loving friendship will continue to support us all.

Spring Board Meeting Reports

As I start my **Oregon FCE** Presidency. I know that we have a lot of work to do together. **Oregon FCE** is facing some difficult times ahead as we see our membership declining each year. **FCE** has enriched members' lives in so many ways. How fortunate we have been being a part of this wonderful organization. What a tragedy it would be to become just a memory after seventy-nine years. We must bring all our members into the reality that **FCE** isn't just a social club. They must come out of their comfort zone. It will take dedication, being diligent and the desire to make this organization grow and be recognized again within our State and Community. We must look to the future and changes that will bring us forward providing the needs of our State, Community and Family.

I was saddened to receive from **Coos County Extension** that their **FCE** members voted to withdraw from **National and State FCE**. Reason given was loss of members, who could not, or would not pay the cost of dues required to be members.

What other organization could you join that offered you fellowship we gain from our membership, opportunities to learn from educational programs, potential for us to develop leadership skills, involvement in our local, state and communities. We can find ways to assist those who need help with paying their dues. Pay a small amount each month. Have a fundraiser. Collect bottle returns. There are many ways we can help our members. **Keepers Corner** helps bring in new members. Let's help keep members.

As president elect I attended the **National Conference 2014 in Tucson, Arizona**. I had a wonderful time meeting other members from all over the **USA**. I made new friends, attended educational lessons and participated in group leadership exercise. I am looking forward to attending the **National Conference in Blue Springs, Missouri, July 2015**. I hope that more of our members will attend.

I have been working with **District X** on the **2015 State Conference in Wilsonville**. I had the pleasure to attend **Yamhill/Polk Spring Festival in Amity**. Their theme, "A Pocket Full of

Friendship". I felt that represented all the friendships we have made over the years as members of **FCE**. I attended **Clackamas County's District X** meeting. Approximately 50 members in attendance. **Rural Dell FCE Study Group in Clackamas** held their annual **Benefit Luncheon** to raise money for **Friends of 4-H**, Camp Scholarships, Photography Awards. Guest speaker was from the Tulip Farm. I always enjoy attending their annual event and their contribution to the community.

Let's all work together and staying connected with our members and creating more community awareness about **Oregon Association for Family and Community Education**.

"Never look at the obstacles, look at the goal."

Vice-President of Programs

Less than half of the counties within the States' participating districts forwarded lessons evaluations to me. Of the evaluations I received of lessons given over the last year and a half these are my findings: 15 lesson titles were presented in six

counties reaching approximately 542 FCE members.

Members of **Oregon FCE, District X, Tualatin Extension** took a walk through **Browns Ferry Park** in **Tualatin,** walking along the **Tualatin River** and reading historical markers about the **Indian Tribes** that used to winter and summer there. In **Yamhill County** one study group walked after their lesson on "Walk with Ease" others walked on **April 24th** before attending a quilt show. We had four walkers:

**Linda Bird, Lidia McRae, Lynda Nyseth and Sally Wyffels.** We walked 3 miles again this year. Next year we are hoping that more people will join in on the walk, either with us or in your own groups. It can be a walk around your neighborhood or some special location. We like to make a day of it as in this year: we walked and talked, visited the quilt show and enjoyed lunch at **Rockin' Rogers.** **Amity FCE** decided to have a "No Bake, Bake Sale" to raise funds to donate to **ACWW** walk. **ACWW's** vision is to improve quality of life for women and communities worldwide. The date for the walk is **April 29th** or somewhere close to that date is just fine. Make plans to take a walk for **ACWW** next year.

**FCE** is a member society and raises funds for **ACWW** through **Pennies for Friendship.** 80% of the funds raised are sent directly to help fund projects and 20% is used to help cover the expenses of our **State President** to attend the triennial Conference.

## A FCE T-Shirt Contest That Inspires & Educates

Focus of contest - Women's Heart Health

"Almost every minute a woman dies of cardiovascular disease"

This is your chance to design an educational, clever or memorable T-shirt.

Your National FCE Board Alumni is sponsoring this contest for our National FCE Conference in Blue Springs, Missouri this July. The contest is under the umbrella of **FCE** aids in Funding Current Education.

All FCE members are encouraged to decorate a T-shirt! Easy contest rules -

1. This contest highlights how women can do anything men can do and some things we're even better at - dying of heart disease and stroke. Check websites such as WebMD Women's Heart Health quiz, American Heart Association or Go Red campaign for information and ideas. Or, look through your own family history.

2. On your T-shirt use family-friendly creative wording, inspirational sayings or slogans, simple pictures or drawings that impact and inspire. Your T-shirt could ask an educational question about women's heart health such as "Did you know \_\_\_\_\_?" with the answer on the back of your T-shirt.

Or pay tribute to someone you treasure who dealt with cardiovascular disease.

3. Please place somewhere on each T-shirt **FCE** aids in Funding Current Education.

4. Use a white or light colored T-shirt for each of your entries.

You may enter as many T-Shirts as you wish.

Ask your local FCE group for ideas and produce more T-shirts.
